Blue Is The Warmest Colour 2013 BRRip 720p Dual Audio [French-English]102 Justpadu Fixed from pecazle by Holly England. blue is the warmest colour 2013 brrip 720p dual audio [french-english] Title: Blue is the warmest color Release year: 2013 Country: France . Just know that it didn't make \$150 million in the U.S. because of Harvey Weinstein, who had this to say about the film's first screenings last year: "If there's a rape scene in the movie, then it's like a rape scene in any movie. You're going to be thinking about it throughout the movie." But what you should really know about this movie is that it's a true story, and it's a very specific story. The trailer above is in French, and comes from the director's 2012 film "Holy Motors." At just nine minutes and eight seconds long, "Blue Is The Warmest Colour" is a short film, but it's a fascinating one, thanks to Leos Carax's singular vision. The director built the thing in the same style as many of his works, from the same era and similar to "The Holy Mountain," with stark lines and composed in black and white. It's a piece that revels in the physicality of the cinema experience, from the way the crew pours paint on the actors' faces to the way the film is shot. The characters in it are played by Gaspard Ulliel and Adele Exarchopoulos as a man and a woman 570a42141b
