System Requirements:

Our most anticipated RPG is going to be for the very first time a cross-platform title. To make it even better, we decided to bring both the PC and the Nintendo Switch version to the same great game. What makes it possible is the beautiful CryEngine, that makes any game look amazing on any platform. It's great to finally see an RPG with the CryEngine on PC and Nintendo Switch, and this is just the beginning of the improvements for other platforms. As a gamer, we understand the need to give the best experience to the players, so
