### FastFix Crack + Free Download 2022 [New]

Fixe is a free tool that offers many useful tools like correction of lens distortions, white balance, redeste and other common image problems. It is part of the Hundret DPE plugins collection. It requires Hundret DPE 3.0. Description: Fusion Fix is a standalone JPEG and raw (DNG) image editor. It allows you to adjust JPEG image quality and apply multi-pass sharpening to raw images. It can automatically detect and fix JPEG compression artifacts (jaggies) as well as remove color casts and remove lens and barrel distortions from photos. It supports all popular RAW (CR2, NEF, ARW, PEF, X3F, RW2, SRF, ORF, ORW, X3R, ORW2, PFM) and JPG image formats. Fixe PhotoFix Pro, a powerful and fast photo editor, is the tool to easily repair many problems of digital photographs in just a few clicks. The main features of this tool: Fusion Fix is a free tool that offers many useful tools like correction of lens distortions, white balance, redeste and other common image problems.
