"Elder Scrolls: Skyrim is just as ambitious as Obsidian's other two RPGs, Fallout 3 and the recently released Fallout: New Vegas. It's an enormous game with a huge scope, limitless expansion and endless possibilities. But just as it's going to be hard to decide which side quests to pursue first, it's going to be even harder to decide which version of Skyrim to get." - Gameinformer.com "Skyrim represents one of the most ambitious and entertaining RPG campaigns that video games have produced yet." - IGN "The world is massive and the possibilities for exploration are practically endless.....The online play is equally satisfying, and the developers have included tons of engaging features." - GameSpot "Skyrim has boundless potential -- and so does its gameplay." - Official Xbox Magazine "The question that's begging to be asked -- What's next for RPGs? -- isn't something that Bethesda's developers need to worry about... But what they've created, in turn, is a powerful reminder that they're still among the most influential developers in the genre." - Game Revolution

**COMPATIBILITY TESTS: ===== \*\*\* Driver \*\* Method File \*\*\* ===== !!! Warning!!! You may loose all ur files if you have not backuped your save. !!! ZF -Rite 14Cz needed for MKG for Mission 28. This will not ruin ur MKG, this will only change a texture. Download RITE 14CZ 14-06-2017 -Go to folder where your MKG is ( for me its 100MB) -Go to the KFX0 folder -Open the.bak file to rename it -Go to the MKG folder and look for line 28, you want the {\*filenameofbak\*} -Go to the 'bin' folder, its at the root of your mkg, and open.reg file -Open regedit and goto {desktop\branding.reg} -Open the file, save and close -Go back to the MKG folder and rename the file, now its MKG\*.4.bak !!!! After this, you can try and restart ur MKG, it will still have all its textures, except the one that changed. ===== \*\*\* MKG \*\* Method \*\*\* ===== -Put the MKG file in a rar folder -Run ZF -F01 -Look at the files inside the MKG, you have the.ulx file, and the.bmp file ( if u want to change the texture ). -Open the.ulx file in notepad and remove the half part of the filename**

---

( example: the bmp file is MFG01\*.BMP ) -Open the.bmp file in paint and change the color to #ffffff -Save the file and rename it as the old, but with this name -Go to the.ulx file again, and put back the half part of the filename (example: the bmp file is MFG01\*.BMP ) -Save and close  
-Open MKG again -It is working ===== **\*\*\* Crack \*\***  
**Method \*\*\* ===== -Open ZF -F01 (if u already have it) -Put your MKG file into a rar folder -Run ZF -Rite 14CZ 14-06-2017 -If u get black screen, quit and open the MKG again and try from the menu**

### How To Crack:

**Download and extract the crack as the archive file.  
Extract the "RingsOfIceCTF\_EldenRing1023462fix.dll"  
(rtfarc,dwmapi,build.xml,createbinaries) from the crack folder.  
Copy "RingsOfIceCTF\_EldenRing1023462fix.dll" to the game folder.  
Select "RingsOfIceCTF\_EldenRing1023462fix.dll".  
Make sure that the information about the infected DLL is accurate,  
such as the "CollisionNode" and the "FaceGroupTransform", etc.  
Start up the game and validate that the crack is working.**

### **Elden Ring Overview:**

- **In the Elden Ring, 3 regions are connected.**
- **Each region is one of the 8 major nations in the Lands Between.**
- **All of the major cities are situated between the 3 regions, and the volume of roads can change in accordance with the total population of the people.**
- **The 3 regions are occupied by the "Old Blood" and the "Born".**
- **The strength of the Old Blood varies.**
- **The more strength a country has, the greater the people are affected by global events.**
- **In order to gain strength, the "Born" must develop a country's economy.**
- **The "Born" are born new.**
- **The "Born" are born from their blood.**
- **The countries with the strongest fleets perform their work in the seas.**
- **All major cities on the continents will connect to and be farmed. The size of the population of each continent will change according to the number of major cities.**
- **The continent is an island surrounded by oceans on all sides,**
