Â .Kohori Hotel - looking for suitable accommodation in Yokosuka-shi A friend and I (both women) are on a trip to Japan this month, and are currently traveling through Tokyo. We will be flying out of Narita on the night of June 25, and need to find accommodations in Yokosuka-shi for that evening. Can you please provide us with some listings? We need a

hotel room, preferably near a small train station, and reasonably priced (around \$50-100 per night, including breakfast). We don't need a car, so there is no need for easy parking, and if it's not possible to get a discount for this, we are happy to pay the full price. Comments I suggest this hotel, Kōhō-Ryū, located in Minami-ku, Yokohama-shi. It's a modern hotel. It is located near the Minami-kurimae Station (JR Kanazawa Station Branch). There are some cheaper hotels located near the station. I don't know exactly because I didn't search extensively. But, I suggest you the below hotels. Hotel in Minami-ku, Yokohama-shi -

Minami-kurimae Station is nearby.
The Avicoum Hotel Osaka - Located near the park of Osakashicho (Osaka-Chuo-chou). Soda Steakhouse - Located near the station of Minami-kurimae (JR Kanazawa Station). I think if you have any problem, I can help you further. I could not leave a comment on a comment and have used this email address on this website until recently. Because I have been busy at work, I just got here and have registered. I recommend Kōhō-Ryū as a suitable hotel. You may also check these websites to see what's available.
